

# *New Year, New Challenge!*

Registered Charity Number 1122488

## **What's your New Year's Resolution?**

- To help make a difference to others?
- To meet people and make new friends?
- To challenge yourself and try something new?

## **Talkthru Baby Equipment Project**

Last year we helped over 200 families in our local community by providing used, quality baby equipment and clothing to them free of charge. To continue providing this valuable service we are looking for volunteers to join our team, who can spare a couple of hours on a weekly, or monthly, or occasional basis.

*Opportunities include:*

- Cleaning and sorting baby equipment and clothing.*
- Giving out items to clients, providing support with your friendly smile and a chat.*
- Collecting donations or delivering larger items.*
- Getting involved in administration of the project.*

The project runs on Tuesday mornings (cleaning and sorting day) and Thursday 12-2pm (Drop In and collections).

For more details contact [office@talkthru.org.uk](mailto:office@talkthru.org.uk) or phone 01484 515137

All volunteers will be subject to a DBS check and will be given relevant safeguarding training.
